

General Service Board of EDA

Charter

To support the Fellowship of EDA and its primary purpose, to recover from our eating disorders and to carry this message of recovery to others with eating disorders.

We recognize that final responsibility and ultimate authority for EDA world services resides in the collective conscience of our whole Fellowship.

We agree to uphold the traditions of the Fellowship of EDA, which include the ideas that

- 1) We, the trustees, are but trusted servants; we do not govern.**
- 2) The only requirement for EDA membership is a desire to recover from an eating disorder. There are no dues or fees for EDA membership.**
- 3) EDA is self-supporting through its own contributions.**
- 4) EDA is not allied with any sect, denomination, politics, organization or institution.**
- 5) EDA has no opinion on outside issues, hence the EDA name ought never be drawn into public controversy**

We accept responsibility – and authority - to perform our role(s) within the Board to the best of our ability in an ethical, legal, professional and cooperative manner.
